

Oklahoma Action Alert – HB 1999

Dear Horse Advocates,

Oklahoma HB 1999, is going to be heard on the house floor tomorrow 02/20/2013. Please contact the OK House of Representatives and tell them to oppose Rep. Skye McNeil’s legislation. This bill if passed will make horse slaughter for human consumption legal in the state of OK. (Note: Rep. Skye McNeil’s family owns the largest horse auction in the state of OK...the passage of this legislation appears to be something that will benefit her family directly)

Rep. Jeannie McDaniel and **Rep. Mike Shelton**, voted against HB 1999 in committee. Their contact information has been left on the list so they can be thanked for their opposition.

If people are contacting who are not from OK, just tell them that horse slaughter affects everyone, not just those within the state. As a tax payer your \$\$’s go to pay for this industry.

HB1999	2/20/2013 8:24:00 AM	2/19/2013 8:24:00 AM	By McNeil of the House and Fields of the Senate.	Meat inspection; modifying horsemeat regulation; effective date.
