Subject: Horse sale
Re:

For your consideration,

Situation: Big Bend Ranch State Park will be selling off horses to manage the herd and get rid of the horses that we do not use for any activity in the park.

The purpose of this memo is to ask for permission to be exempt of having a sale for these surplus horses. I have found a local buyer in Presidio who will buy all of the horses from the park we no longer need. He will come pick up the horses at Saucedo on his expense. This will save us money on fuel and travel cost to the auction. I have called the Talpa Horse sale near San Angelo and the going price is \$0.35/lb; the local buyer will pay us \$0.25/lb. This is a competitive price for the market and saves us money, travel time and fees on feedlots.

Please consider this option for the park and sale of horses to a local buyer, and exempt us from a surplus sale.

Requested Action:

Approve the request to exempt us from a surplus sale of horses at Big Bend Ranch-Saucedo.
